B. FEE

In consideration of service performed, payment is made in accordance with the terms of your subcontract.

C. MEALS AND INCIDENTAL EXPENSES (M&IE)

Allowance for meals and incidental expenses is made by payment of a fixed daily allowance in effect at the time of travel as specified in your subcontract. The daily computation is based on the calendar day (midnight to midnight). The day is divided into quarters (12-6; 6-12; 12-6; and 6-12), and allowance is made for each individual quarter or fraction thereof during which the individual is in travel status. The importance of showing correct time and dates for departures and arrivals is emphasized since this is the basis for computing your M&IE allowance.

D. LODGING EXPENSE ALLOWED

The single rate cost of lodging is allowed. In case of multiple occupancy of a lodging unit with members of the immediate family, the expense allowed is the single rate for the lodging unit.

E. RECEIPTS REQUIRED

(Tips are not reimbursable, this cost is to be absorbed in the M&IE allowance).

1. Airplane

- Items in excess of \$ 75.00 such as baggage transfer, excess baggage, parking fees, toll charges, taxi and limousine fares, etc. (Reimbursement will be limited to \$ 75.00 for any item not supported by a receipt.)

- Lodging accommodations. Receipts must show the single rate cost of lodging.
